

# Ensemble Series

Design your own IT security and storage environment with the EarthWalk Ensemble Series. These stackable components can be custom configured as stationary sections, stacked side by side, a top of each other, or even mobilized by adding casters.

Choose from these Ensemble components, available in a multitude of colors:

- Laptop Security Modules
- Lockable Storage Drawers
  - Laminated Tops
- Leveling Feet or Casters
- AC electrical outlets

Contact your Earthwalk Sales Representative for additional HE electrical power management and Battery Charging Systems available.

**EI-MOD-08**

- 3 point key lock security
- Removable Laptop door dividers with AC adapter storage

**Module Dimensions**

Height: 17"  
 Width: 24"  
 Depth: 22"  
 Weight: Approx.\* 52 lbs.

**Laptop Compartment Dimensions**

Height: 13"  
 Width: 3"  
 Depth: 14"
