

EarthWalk Saver Series 16

SUPPORTS:  Windows10  Mac  chrome  iPad  android

Model: SS16-AC

EarthWalk's 20+ years of experience in designing mobile charging carts for schools led to the development of the perfect K-12 device deployment system.

120v, 50/60 Hz, 15 AMP

Saver Series 16 allows you to store, secure, charge and deploy 16 devices and protective cases up to 1" thick in a relatively small, mobile footprint: only 12" wide x 23.25" deep. Compatible with Chromebook, iPad and Tablet devices having up to 14" screen size.

**Features:**

- Sleek and mobile unit capable of charging and securing up to 16 devices (sold separately)
- Shelves are 12" W x 15.25" D with 10" H of top clearance. Each shelf holds up to 8 devices
- Bottom shelf space allows 3.25" H of top clearance—perfect for storing accessories
- Rubber-coated dividers keep devices organized and protected
- Includes a 16-outlet 120V/15A vertical power strip to keep your devices fully charged
- Plenty of ventilation allows air to circulate freely through the unit
- Includes four 3" casters, two with locking brakes
- Locking front and rear access doors include two sets of keys
- Maximum weight capacity of 75 lbs (evenly distributed)
- Cord wrap
- Handle (front)

Accommodates up to 16 devices
in a small footprint
