

# EarthWalk Ensemble Series

SUPPORTS:

Mac

iPad

Stock color is black;  
available in other colors

The Ensemble Series adds security and storage space to learning environments with limited square footage. These stackable cubes can be custom configured as stationary sections, stacked atop each other, or mobilized by adding 3", 5", or 8" casters. This multi-configuration series can also incorporate up to 20 device compartments per module, integrated built-in device & battery charging systems, storage drawers and laminate tops. Works with all devices, from laptops to Chromebooks and tablets/iPads.

All modules have 3-point key lock security and removable laptop/tablet dividers with AC adapter storage
