

# EarthWalk Ensemble Stations

Custom storage & charging

SUPPORTS:

Stock color is black;  
available in other colors

Modules can  
be stacked

Modules can be stacked and  
placed next to each other

Ensemble stations provide wall-mounted or table-top security, charging and storage in your classroom or library. These stackable modules can be custom configured and stacked into multiple configuration options. This series can incorporate up to 20 device compartments per module, integrated built-in device & battery charging systems, storage drawers and laminate tops. Works with all devices, from laptops to Chromebooks and tablets/iPads.

All modules have 3-point key lock security and removable laptop/tablet dividers with AC adapter storage

### ES-MOD-08/16

**Module Dimensions:**

Height: 17"  
Width: 24"  
Depth: 22"  
Weight: Approx.\* 52 lbs.

**Laptop Compartment Dimensions:**

Height: 13"  
Width: MOD 08—2.6" slots  
MOD 16—1.3" slots  
Depth: 14"

### ES-MOD-10/20

**Module Dimensions:**

Height: 17"  
Width: 24"  
Depth: 22"  
Weight: Approx.\* 53 lbs.

**Laptop Compartment Dimensions:**

Height: 13"  
Width: MOD 10—2" slots  
MOD 20—0.95" slots  
Depth: 14"

## OPTIONS

### Laminate Top (ES-MOD-TOP)

- Durable 1 1/8" laminated wood top with T-molding allows for use of printers, projectors, and other equipment on top of the module
- Grey or Black laminate color options
- Provides a smooth work and writing surface, unobstructed by handles or metal lip.
- Weight: Approx.\* 19 lbs.

### UL Power Strips

Each module can be equipped with an optional UL Power strip

- 8 outlet UL Power Strip (ES-AC08)
- 10 outlet UL Power Strip (ES-AC10)
- 20 outlet UL Power Strip (ES-AC20Z)

### Exterior Colors

The stock color of Ensemble modules is black. Also available in light gray, medium gray metallic, industrial red, blue and safety yellow.

### HE-Z High-Efficiency Charging System

This patented system provides the most energy-efficient and **easy** approach to charging groups of devices—**no AC adapters needed!** EarthWalk's High Efficiency (HE) charging integrates a central power supply and control circuit board system to distribute simultaneous power to every device with up to 85% more energy efficiency than charging with AC Adapters. HE-Z charging cables can be easily swapped when devices are changed or updated and this system also allows multiple brands of devices to be stored and charged in one cart/station/locker.

### ES-MOD-Drawer

Height: 8"  
Width: 24"  
Depth: 22"  
Weight: Approx.\* 40 lbs.

- Key-locking security drawer
- Drawer provides additional storage space
- Can be used to incorporate optional battery charging system

\*Actual weight determined by configuration of system.

### iPad Sync Option

- Sync and charge your Apple iPads, iPad mini and iPod touch devices  
Compatible with both Apple 30-pin and Lightning connector cables
- Full 2.1A charging power for all Apple devices
- Universal design provides flexibility as technology changes
- Optional install and setup of your supplied cables available

### Warranty

Lifetime warranty on parts, limited 2-year warranty on electrical components. Warranty details are available upon request.

### Pedestal Base

- Add a little height to your desktop components:
- 2" Feet (ES-Feet-2) offer adjustable heights

### ES-DCP-MOD

- Primary electrical switch with AC outlet
- 10 foot 12/3 primary power cord
