

# EarthWalk HEPD6 Charger

Model: HEPD6

Built-in protection: no overheating, no over current, no over voltage, no short circuiting

6-port, USBC-PD 3.0 charger makes charging your USB-C devices more practical and convenient.

No more searching for available USB ports or wall-plug adapters, no more swapping devices, no more second-guessing battery levels and charging times.

One charger offers six dedicated, powered USB-C ports, allowing you to recharge multiple devices at once, all in the same place.

USB-C to USB-C charging/Data cables not included.

### Key features & benefits
